fine MUSICO 2024 EDUCATION CATALOGUE

education.finemusiconline.com.au

Welcome to the 2024 Fine Music Education Catalogue

Last year was a fantastic year for music making. We ran our largest and most successful VSMF to date with over 15,000 students from 430 ensembles taking part and it was refreshing to see students re-engaged and music programs reinvigorated after a number of onerous years. We are proud to be able to produce such an event which will continue to support the growth of music education in schools throughout Australia.

The Fine Music team remains one of the most knowledgeable and reliable in the industry and is something we are very proud of. Our passion is music and our aim is to help you nurture the next generation of music makers in any way we can.

If you need advice, a quote, or if you think we can help make your life as a music educator easier, please don't hesitate to get in touch.

You can contact us on:

Leblanc* Debut

Leblanc

(P) Debut

The Leblanc Debut gives a very rich and warm sound. The ergonomic keywork and synthetic Valentino pads feel great in the hands. With features usually reserved for a much higher price-point, the Debut is a fantastic introduction into the world of Leblanc clarinets.

Why Flight?

In the modern music classroom, ukuleles are a must-have for aspiring young musicians. This is why it so important to understand the value of a durable and resilient instrument.

The Flight Travel Series are designed with classrooms in mind. They come in a range of fun and exciting colours and produce a beautiful sound, but more importantly, these ukuleles stay in tune.

Put an end to spending classroom time "re-tuning the ukes" every morning, and enjoy the confidence of knowing the instruments are ready to go.

The Flight Travel Series is a truly unique range of ukuleles. Made almost entirely from ABS plastic with a stylish wooden top, these high-quality ukuleles are the top choice for the classroom.

Flight Ukulele Class Set

15 x Travel Ukuleles + carry bags.

1 x Zebrawood Soprano Electro-Acoustic Ukulele

All packs include a Flight Zebrawood DUS320 Soprano Electro-Acoustic Ukulele for the teacher, which features a pickup system for amplification.

GET NATURAL TONE AND GENUINE FEEL AT CONVERSATIONAL VOLUMES WITH dB ONE

Evans Drumheads is proud to introduce Evans **dB One** drumheads and cymbals. For the first time in history, you can hit hard and play naturally while keeping it down. Take in the unmistakable crack and buzz of the breakthrough Snare $\operatorname{Sim}^{\mathsf{TM}}$ technology, the authentic bounce and feel of dB's impact patches, the true-to-kit tones of Kinetic Transfer Foam, and the first cymbal set to sport dBalance $^{\mathsf{TM}}$ technology and the Evans brand.

Notation & Theory

Dorico

Dorico is the next-generation scoring application from Steinberg, with a whole new way of working with music notation. Built from the ground up by musicians for musicians, Dorico is like having an intelligent assistant by your side. Dorico's output is the equal of the finest music engraving, and brings music to life through Steinberg's award-winning audio engine.

Sibelius

The latest generation of the world's best-selling music notation software, Avid Sibelius is sophisticated enough to meet the demands of top composers, arrangers, and publishers, yet simple enough for beginners and students. Work quickly with the brand-new, task-oriented user interface. Experience your scores in stunning clarity with the exclusive, professional-quality sound library. Collaborate more easily thanks to full MusicXML interchange support and other sharing options. Sibelius 8 is the fastest, smartest, easiest way to write music.

Finale

Finale® is the ultimate music notation program giving you complete control over every aspect of the printed page while providing full MIDI capabilities and unparalleled audio output. With Finale you also get a selection of world-class instrument sounds from Garritan's Personal Orchestra, Jazz & Big Band, Concert & Marching Band, and World Instruments libraries.

Auralia With 54 topics, and endless customisation, Auralia is by far the most comprehensive ear training package! All the fundamentals are covered; pitch, rhythm, intervals, chords, scales and tuning. Progress through cadences, dictation, harmont, jazz progressions and melodic transcription. Sophisticated tracking allows you to easily monitor and assess your students. Set tasks and assignents and even run exams with high quality content your students will love.

Musition

Musition is a comprehensive music theory and fundamentals package for music students of all ages and abilities. Musition's interactive teaching makes learning music theory fun and easy. The structured drills and instant feedback create a stimulating learning environment, enabling students to achieve their maximum potential. Complete with 54 topics and sophisticated record keeping features, Musition is the ultimate music theory training and testing tool.

Recording

Mixcraft

Mixcraft 9 is a powerful music production and multi-track recording workstation that comes packed with thoUSAnds of music loops and dozens of audio effects and virtual instruments. Mixcraft enables you to record audio, arrange loops, remix tracks, compose with MIDI and virtual instruments, add effects, score and edit video, and mix and master your tracks to create polished, professional compositions.

Protools

Whether you create music or sound for picture, the right tools can help you achieve the highest quality mixes faster. Pro Tools 10 is the next generation of the best sounding, most widely-used audio production software in the industry, enabling you to record, compose, edit, and mix with great speed and ease.

Cubase

Cubase condenses almost three decades of Steinberg development into the most cutting-edge DAW anywhere. Used by star producers and musicians for composing, recording, mixing and editing music, Cubase combines outstanding audio quality, intuitive handling and a collection of highly advanced audio and MIDI tools. Whether you record an orchestra, a huge live rock show, or a band in the studio, Cubase is sublime in every sense of the word.

Presonus Studio One

Studio One Professional is a ground breaking and deep, yet easy-to-use DAW for Mac and Windows. Load and save audio clips, MIDI files, effects, and VI's by drag-and-drop. Import and export MP3s. Take advantage of multi track comping, multi track MIDI editing, transient detection and editing with groove extraction, and Folder Tracks. Import videos and create soundtracks. Use the 33 bundled Native Effects plug-ins, third-party VST and AU plug-ins, and ReWire. Mix, master, burn CDs, and upload to the Web, all within Studio One.
